SHOPPING GETS SMART!

CUB@2

Il successo del commercio on line abbinato alla consegna tramite locker è ormai un fenomeno mondiale. Ecco, allora, come CUB@ 2 diventa lo strumento ideale per interpretare questa nuova tendenza del mercato internazionale. Un locker per la spesa on line e il ritiro autonomo, composto da una serie di armadietti disponibili nella versione refrigerata, per prodotti freschi e surgelati o nella versione non refrigerata. Flessibile, versatile, posizionabile ovunque.

On-line selling with locker delivery is proving a great success the world over. CUB@ 2 is the ideal tool for interpreting this new trend in the international market. An on-line shopping, self-collection locker unit comprising a series of individual lockers, available in a refrigerated version for fresh or frozen products and in a non-refrigerated version. Flexible, versatile, easy to install anywhere.
